## 1) choose a Hosting Level

- **Non-hosted Party:** Up to three hours in our private party room, soft drinks, and clean up. *\$30 plus pottery; Minimum 8 painters.*
- **Non-party room:** Reserved table in open studio, soft drinks and clean up. *Pay for pottery only; Maximum 12 painters.*

## 2) choose a Project

- **Individual Projects:** Allow your guests to choose their own project to paint.
- **Group Projects:** Choose a shared project, such as a tile mirror.
- **Sets or Themed Projects:** Choose a set of items beforehand and have guests paint them with similar color palettes to coordinate.

## 3) Pick a Payment Style

- **Hostess(es) pay for all charges:** Great for shared projects such as tile frames. Guests can then bring their own gifts for the guest of honor.
- **Guests Share the Cost:** For individual projects, this allows guests to choose their own price range and to give the pottery as their gift. Also works well for gatherings where guests are just painting for themselves and giving gifts to the guest of honor.
